PRICES FROM LIST

Spring 1958

Fall 1958

TERMS AND CONDITIONS OF SALE

The prices published in this list cannot be held as firm. Prices are subject to market changes. We reserve the right to change those prices without notice.

TERMS: Prices are F.O.B. Shipping at Berwood, Md.

Plants loaded on your credit or under carrier at no charge.

To those of established credit with us or with established credit we extend our regular terms of 30 days net from date of bill. 2% DISCOUNT for payment in 15 days from date of delivery of bill.

SPECIAL SECTION: Stock especially selected, as fine as we can find, charged according to individual value, irrespective of cost per plant.

CLAIMS: Orders are accepted subject to stock on hand at time of order. Orders are accepted with the understanding that there shall be no claim for damage or loss due to weather, disease, insects, or any other causes beyond our control.

All shipments travel at the risk and cost of purchaser.

While we exercise the greatest care to have all goods we sell give no warranty, expressed or implied, as to quality, durability, productiveness or life of any stock we sell.

Errors, made by us, will be gladly corrected, but compensation must be made, promptly, in writing, within 5 days after receipt of bill.

We shall in no case, be liable for any sum greater than the amount originally received for such stock.

All orders are booked on distinct understanding that the person who agrees to conditions of sales as stated above and no other, and no representative is authorized to alter them in any way. All correspondence from this office in writing.

Delivery charges are not extra, when stock is delivered to railroad or steamship terminal, or to a point where delivery can be made by truck. Delivery charge is \$.30 per load mile, with a minimum of \$.75 for a 10 ft. bed, 3 ton truck or \$.50 per load mile paid, minimum of \$.75 for a 10 ft. bed, 3 ton truck.

Delivery charges are not extra, when stock is delivered to railroad agent or carrier will collect this charge when conducting all sales to you.

SCALING OF P. & T. PRICES

The following is a schedule of prices for balling and bunching various sizes and shrubs of various grades, which are offered in bare root. When listed as P. & T., price of 1000 ft. is equivalent to 1000 plants.

Unless directed to the contrary, the following sizes will be supplied. If larger or smaller balls are required, price will be adjusted accordingly.

SHRUBS AND FLOWERING TREES
